Go Ahead-London

MAKE NOTES ALONG THE WAY!

Changeovers will take place on Farnborough Hill at **Stop L** towards Orpington and **Stop K** towards Crystal Palace outside bus garage.

Always communicate in advance with iBus if you are late for any reason.

Route 358 is a high frequency route. Headway is a measurement of the distance or time between buses. You can tell that you are on the correct Headway by using the iBus Headway indicator in the cab.

IMPORTANT: You must keep your bus as close to the middle of the indicator as possible. Take action and drop back if you are closing in to the bus in front.

- **Orpington Station.** Facilities on railway platform.
- **Crystal Palace Bus Station.** TfL facilities in the bus station.

If you urgently need to use the following interim facility, please inform iBus first.

CODE RED | EMERGENCY RADIO PROCEDURE

If you require the Emergency Services to attend your vehicle (for example in the event of passenger injury, assault or major RTA), you should contact CentreComm using the radio's Code Red facility. To call CentreComm, **hold down the Code Red button on your vehicle's radio for at least 3 seconds** until you hear a ringing tone to indicate that your call has been connected. Hold down the foot switch in the cab when you are speaking, and end what you have to say with the word "over" to indicate that you expect a response, or "over and out" if this is the end of your communication. Release the foot switch when you are not speaking. Remember to speak slowly and clearly. Note that you will usually receive a radio call from your depot shortly after you make a Code Red call. **You should not use the radio whilst the vehicle is in motion.**
