2) NOTES

Proposed Changes:

At this time, the Corporation expects to implement a change to the existing service prior to the commencement of the new Route Agreement for Route No. 367.

- West Croydon Bus Station is currently being re-developed. As a result, buses are temporarily picking up at Wellesley Road, at bus stop WJ (bus stop number 10814) as the entrance to West Croydon Bus Station from Station Road is not available (being used by construction vehicles). Buses can still exit via Station Road. Once works are complete, buses will return to picking up in West Croydon Bus Station expected to be in 2016.

Tenderers should note that there are no changes proposed as part of this Service Specification for Route No. 367.

- Tenderers should refer to the schedules dated 12th July 2014 rather than the current temporary schedules.

Tenderers should note that if they are supplying an alternative price based on using existing vehicles, these must be refurbished in line with the revised specification dated 1st March 2014. This applies to all contracts awarded from Tranche 471 onwards.

Operators should provide the following prices:

- 1. Annual diesel price - based on minimum 5 year contract.**
- 2. Annual hybrid price - based on minimum 5 year contract.**
- 3. Annual hybrid price - with upfront payment of capital difference between diesel and hybrid for 5 year contract.**

Cash Free Boarding was extended throughout London from 6th July 2014. Submitted tender prices should fully reflect the cost saving accrued from this change. Tenderers should also indicate the approximate additional cost if cash fares were still to be accepted.
